MEMORANDUM FOR: Members, Critical Intelligence Problems Committee

FROM: Eloise R. Page
Chairman

SUBJECT: Critical Intelligence Problems [REDACTED]

25X1

1. In December 1983, the CIPC developed for the DCI a list of critical intelligence problems that required the attention of the Intelligence Community. As a result of that effort, the CIPC was tasked to conduct a series of studies to identify the intelligence shortfalls and to recommend specific solutions. The problem areas addressed included: [REDACTED]

2. We now need to revisit this subject and develop today's list of intelligence issues which require coordinated Community attention. It is, therefore, requested that each of you develop a list of those intelligence problems confronting the Intelligence Community which you consider most significant and which should be given CIPC study. [REDACTED]
